PSPR
creative communications
Philippa Stagg

Philippa Stagg from PSPR has been working in PR and Communications for over 10 years, initially in the dairy industry but she has expanded her portfolio to include other sectors including retail and hospitality. Based in the Cotswolds, she has been lucky enough to work with some fantastic local companies, new and more established.

“Everyone needs help in promoting their business. I don’t judge, I help. I will work with you to really get to the heart of your business. How did you start? Where are you now? And where do you want to get to? I can also help you work with your staff so everyone is promoting your business in the same way, so all your communications are crafted to sound and look the same - most of all I like getting into the heads of consumers – they’re a funny bunch but rewarding!”

Working as part of the **Conceptualise** team of industry professionals, PSPR can offer a range of communications services. Here are just a few examples:
